

Pomegranate Hand Cream

Leaves hands beautifully smooth and supple

Precious pomegranate seed oil is rich in unsaturated fatty acids and bioactive ingredients that protect against harmful environmental influences and have a positive impact on the regeneration of skin cells. Soothing allantoin and moisturizing jojoba oil support the immediately noticeable care effect ideally. Dry, cracked skin becomes soft, smooth and beautifully radiant. Used regularly, Pomegranate Hand Cream helps prevent the formation of pigment spots and other premature signs of aging. Absorbs easily, is non-greasy and has a pleasant, delicate fragrance.

Ingredients: Aqua, Cetearyl Alcohol, Sorbitol, Isopropyl Palmitate, Simmondsia Chinensis Seed Oil, Pentylene Glycol, Punica Granatum Seed Oil, Stearic Acid, Palmitic Acid, Allantoin, Hydrolyzed Collagen, Tocopherol, Ascorbyl Palmitate, Lecithin, Hydrogenated Palm Glycerides Citrate, Sodium Cetearyl Sulfate, Parfum.
