

## Aloe Vera Mouthwash

For mild, healthy oral hygiene

A mild mouthwash with the best extracts of 200 g aloe vera for thorough, gentle oral and dental care. Mint and clove oils ensure fresh and healthy breath. Panthenol and chamomile extract reinforce the regenerating effect of the aloe vera and protect against bleeding of the gums and inflammations. The gums are strengthened and the oral flora receives positive support.

Do not use if you are allergic to composite plants.

**Application:** Add 2-3 sprays of mouthwash to half a glass of water and rinse out your mouth thoroughly.

**Ingredients:** Aqua, Glycerin, PEG-40 Hydrogenated Castor Oil, Aloe Barbadensis Leaf Juice Powder, Chamomilla Recutita Flower Extract, Panthenol, Sodium Saccharin, Potassium Sorbate, Benzyl Alcohol, Phenoxyethanol, Citric Acid, Dehydroacetic Acid, Benzoic Acid, Propylene Glycol, CI 75810, Mentha Arvensis Herb Oil, Eugenia Caryophyllus Leaf Oil, Aroma (Limonene, Eugenol – made from natural essential oils).
