

Eskimo Oil Bath

For the specific care of dry and flaky skin

A mild, lipid-replenishing oil bath with a high proportion of soy bean oil. Wild rose oil, which is rich in polyunsaturated fatty acids and vitamin E, assists with its nourishing properties. In this way, the Eskimo Oil Bath provides the skin with important, skin-related lipids and is ideal for the specific care of dry and flaky skin.

Free from added fragrances, colours and preservatives

Use: For a full bath, add several squirts (20-30 ml) of the oil bath into the running bath water. Enjoy your bath for 15-20 minutes at approx. 36-38°C.

Avoid contact with eyes.

Ingredients: Glycine Soya Oil, PEG-7-Glyceryl Cocoate, Rosa Moschata Seed Oil, Tocopheryl Acetate, Tocopherol, Helianthus Annuus Seed Oil.
