

Cranberry-Acerola- Lozenges

Food supplement with vitamin C, proanthocyanidins and sweeteners

Interesting facts:

In North America the cranberry has long been known and in Europe more and more people are discovering the benefits of the Cranberry, the bright red relative of the cowberry. Especially appreciated is its intense, sour-bitter flavor and the contained phytochemicals, such as proanthocyanidins (PACs). Vitamin C contributes to a normal and healthy immune system and energy metabolism. Furthermore, as a free radical scavenger it plays a part in protecting cells against oxidative stress.

Each lozenge contains 460 mg of cranberry concentrate (25:1) equivalent to 11 ml of cranberry juice and 200 mg of acerola fruit powder.

Ingredients:

Cranberry Concentrate (44%), Acerola Extract (28%), sweetener Sorbitol, fillers Maltodextrin, Magnesium Hydroxide, Sodium Hydrogencarbonate; separating agent Magnesium Stearate, Silicon Dioxide, thickening agent Xanthan Gum, sweetener Steviol Glycoside from Stevia.

	per tablet	per daily dose (=3 tablets)	% of the recommended daily requirement (NRV)*	per 100 g tablets
Acerola extract	294 mg	882 mg	**	28 g
from it vitamin C from Acerola cherry	50 mg	150 mg	188	5 g
Cranberry concentrate	460 mg	1380 mg	**	44 g
of which are proanthocyanidins	4.6 mg	13.8 mg	**	0.4 g

* NRV = Nutrient reference value for the daily intake according to VO (EU) No. 1169/2011

** No reference value has yet been established

Recommended use: Suck 2 – 3 tablets daily.

Excessive consumption may cause laxative effects.

Store in a dry place below 25°C. Protect from light.

Nutritional supplements should not be used as a substitute for a varied, healthy diet. Keep out of reach of young children.

The recommended daily dose should not be exceeded.

Made in Germany

Contents 90 tablets = 93 g

Art. No. 1469
