

Sanct Bernhard Sport Isotonic Energy Drink Peach-Passion

Food supplement before and during high physical performance
Lactose and gluten free

The isotonic energy drink contributes to the maintenance of the endurance capacity during the endurance phase. The added mineral nutrients replace the electrolytes excreted through perspiration.

Ingredients: Maltodextrin, Sucrose, acidifier: Citric Acid, Calcium Lactate, Sodium chloride, Tri-magnesium Citrate, Potassium Citrate, Flavour.

*% of the recommended daily intake according to NRV (Nutrient reference value for the daily intake according to VO (EU) No. 1169/2011)

** No reference value has yet been established

Recommended intake:

Please dissolve 1 sachet (approx. 36 g) in 500 ml water. To avoid clots please pour in the water first and then add the powder. During the sport activity we recommend to drink regularly of 150-200 ml every 15-20 minutes.

Note for diabetics: 500 ml (approx. 36 g powder/liter) of the beverage is equal to 2.6 BE.

Keep out of direct sunlight. Store dry and not above 25°C.

Food supplements should not be used as a substitute for a varied and balanced diet and do not replace a healthy lifestyle.

Keep out of the reach of young children. The recommended daily dose should not be exceeded.

Made in Germany

Contents 36 g powder produces ca. 0.5 liter final beverage

Art. Nr. 2540
