

Propolis Fluid

It is used for problematic skin, it is good for mouth and gums, helps with bleeding gums and bad breath and gives a fresh breath.

Propolis can occasionally cause allergic reactions.

Contains about 40% of pure propolis.

Note: Propolis stains intensively. Use with caution.

A few drops suffice.

Ingredients: Alcohol, propolis extract (cinnamyl alcohol, benzyl alcohol - from the natural raw material).

Contents 30 ml

Art. No. 43
