

tierlieb
Black Cumin Oil Drops
Feed for dogs

Useful information: Tierlieb black cumin oil is characterised by its high natural content of valuable essential oils. The cold-pressed oil is rich in essential fatty acids, supports coat and skin metabolism and provides energy. The purely plant-based vitamin E possesses a high organic-availability and prevents deficiencies.

Feed recommendation per day:

Add 1-2 drops per kg body weight to the food.

Do not give to pregnant animals. Do not give to cats!

External use: Rub susceptible areas of the skin (e.g. neck and chest area) with a few drops of black cumin oil.

Analytical contents: Crude fat 100 %, crude fibre 0 %.

Additives (vitamins)/kg: 6,700 mg natural vitamin E.

Keep dry and out of direct sunlight. Store below 25°C.
