

## Joint Care Herbal Balm

with marigold, comfrey and marmot oil

Contains marigold oil, comfrey extract, marmot oil, clove oil, menthol, Japanese peppermint oil and beeswax. A massage with the joint care herbal balm is good for strained muscles and joints after sports-related exertion and manual work and when you have aching muscles.

**Use:** apply thickly as required and massage in well.  
Do not use if you are allergic to composite plants.

Avoid contact with the eyes and keep out of the reach of children!

**Ingredients:** Glycine Soja Oil, Cera Alba, Olus Oil, Marmot Oil, Calendula Officinalis Flower Extract, Symphytum Officinale Root Extract, Menthol, Mentha Arvensis Herb Oil, Camphor, Rosmarinus Officinalis Leaf Oil, Eugenia Caryophyllus Leaf Oil, Tocopherol (Eugenol, Limonene, Linalool – from natural essential oils).
