

Selenium Plus-ACE Cell Protection Capsules

Food supplement with vitamins, minerals and carotenoids

Good to know:

Natural selenium from selenium yeast plus vitamin C, E, carotenoids and magnesium. The trace element selenium and the antioxidants vitamins C and E have been proven to protect cells from oxidative stress.

Selenium can help to support the growth and maintenance of healthy hair and nails. It also plays a role in thyroid function and in supporting the immune system.

Ingredients: Magnesium carbonate, vitamin C, gelatine, dextrose, selenium yeast, vitamin E succinate, anti-caking agents magnesium stearate, silicon dioxide; natural carotenoids, sunflower oil.

	per capsule	per daily dose (= 2 capsules)	% of the daily intake according to NRV*
