

Minesan Alkaline Mineral Herb Tablets

acid-base balance

Nutritional supplement with minerals

Good to know:

Nutritional supplement with the basic minerals sodium and calcium, the trace element zinc and herbal extracts of chamomile and melissa.

Among other things, calcium contributes to normal function of digestive enzymes. The trace element zinc is a component of a variety of enzymes and makes a substantial contribution to a normal acid-base metabolism. In conjunction with a balanced, mineral-rich diet, Minesan supports a normal acid-base balance.

Ingredients: Filler Microcrystalline Cellulose, Calcium Carbonate, Sodium Bicarbonate, Disodium Hydrogen Phosphate, Chamomile Extract, Melissa Extract, **Lactose**, anti caking agents Magnesium Stearate, Silica; thickening agent Xanthan Gum, Zinc Gluconate, Glucose Syrup.

	per tablet	per daily dose (4 tablets)	per daily dose (6 tablets)	% of the daily intake according to NRV*
