

Crystal Table Salt

from the pakistani
“Salt Range”,
about 200 km south of Himalaya

Table salt of finest gourmet quality. From one of the world's oldest salt deposits gained in the “Salt Range” or “Salt Mountains” in the Pakistani province of Punjab, about 200 km south of Himalaya. Since thousands of years already the coarse rock salt appreciated by connoisseurs around the globe has been mined in this region. It is 100 % unadulterated, sun-dried and hand-picked natural salt.

Free of any additives, unionised. Gives meals a particularly fine taste.
