

St. John's Wort Oil

made from fresh St. John's wort

Particularly suitable for dry, delicate and sensitive skin with a tendency to become chapped. For tightening and revitalising fatigued skin. For allergic skin. Has an anti-inflammatory effect. Fragrance-free.

Since St. John's wort oil increases the light sensitivity of the skin, do not go to a solarium after an application or expose yourself to direct sunlight!

Ingredients: Olea Europaea Fruit Oil, Hypericum Perforatum Flower Extract.
