

Organic Herb Salad Seasoning

Basis for salad dressing with 45 % herb and spice content
for pure, herbal salad enjoyment

The exceptionally high proportion of natural herbs and spices from controlled organic cultivation makes your salad dressing into a thoroughly balanced, full-bodied enjoyment! We have supplemented the harmoniously arranged recipe of onions, basil, parsley, lovage, pepper, chives, garlic, curcuma and dill tips with pure, iodine-free sea salt and a hint of lemon. We have deliberately done without flavour enhancers, yeast extracts, acidifiers, colorants etc. Prepared quickly and conveniently: Simply add vinegar, oil and water - and it's ready!

- Purely plant-based
- No acidifiers
- Without colourants
- Yeast and lactose-free

Preparation:

Stir organic herbal salad seasoning into cold water, add vinegar and oil and mix in the salad - finished!

Mix ratio for approx. 4 portions:

Salad seasoning	Water	Oil	Vinegar
1 tbsp (tablespoon) = 10 g	12 tbsp	2 tbsp	1 tbsp
