

Olive Moisturising Cream

Light face cream with the natural active substances of the olive. Precious, cold-pressed olive oil and olive butter give moisture and mild care to dry, sensitive skin. Unsaturated fatty acids contained in the olive and the extract of the olive leaves actively support the skins' moisture content and defends the skin against free radicals. Suitable as day and night care and as basis for make-up. Unperfumed.

Ingredients: Aqua, Olea Europaea Fruit Oil, Glycerin, Glyceryl Stearate Citrate, Cetearyl Alcohol, Sucrose Stearate, Hydrogenated Vegetable Oil, Olea Europaea Leaf Extract, Tocopherol, Lecithin, Ascorbyl Palmitate, Xanthan Gum, Helianthus Annuus Seed Oil, Citric Acid, Benzyl Alcohol, Potassium Sorbate.
