

Ashwagandha KSM-66®-Plus Capsules

Nutritional supplement with withanolides
Vegan

Good to know: One root. Many possibilities. Our capsules combine vitamin B6 with the high-quality KSM-66 Ashwagandha® extract, from the root of the Ashwagandha plant, to create a well-conceived formulation. Ashwagandha has a centuries-old history of traditional use in India. The extract, standardised to a defined content of withanolides, ensures consistently high quality. The formulation is complemented by vitamin B6, which contributes to normal energy metabolism and supports the normal function of the nervous system and normal psychological function. This results in a premium supplement to accompany you throughout the day – from morning to evening.

Ingredients: Ashwagandha extract, bulking agent microcrystalline cellulose, hydroxypropylmethylcellulose, anti-caking agents silicon dioxide, magnesium stearate; vitamin B6 hydrochloride.

	per capsule (= Daily dose)	% of NRV recommended daily dose*
KSM-66 Ashwagandha® extract	300 mg	**
of which withanolides	15 mg	**
Vitamin B6	1.4 mg	100

*NRV = Nutrient Reference Value for daily consumption according to Regulation (EU) No. 1169/2011

**no reference value available yet.

KSM-66 Ashwagandha® is a registered trademark of Ixoreal Biomed Inc.

Recommended dose: Adults take 1 capsule daily with sufficient liquid. The duration of use should not exceed 2 months.

Do not use during pregnancy or lactation. Not suitable for children and adolescents, nor for persons with an existing or previous liver disease.
