

Lavender Cream

Skin-protecting, moisturising care cream for day and night. Genuine lavender oil - without added perfume - gives the cream its subtle, fresh-spicy fragrance. In addition, lavender oil is said to have excellent care properties for sensitive skin. Almond oil, rosehip oil and shea butter pamper your skin and make it soft and supple. An intensively moisturising care formula strengthens the skin's natural hydro-lipid content and prevents it from drying out – for a smooth, soft and velvety feeling.
