

## tierlieb Herb Pellets

Nutritional supplement for horses

Tierlieb Herb Pellets contain 100 % tasty herbs and seeds. Independent of the season, tierlieb Bronchial Herb Pellets can be regularly mixed with the main feed in order to upgrade it with healthy herbs.

**Analytical contents:** Crude protein 25.3 %, crude fat 9.1 %, crude ash 7.1 %, crude fibre 10.1 %, calcium 1.0 %, sodium 0.1 %, phosphorous 0.6 %.

**Composition:** Black cumin cake, ribwort plantain leaves, willow bark, camomile flowers, Iceland moss, marshmallow root, sage leaves, eucalyptus leaves, thyme leaves, aniseed, fennel.

**Feed recommendation:**

One horse, depending on body size, receives approx. 50-70 g per day (a large handful of pellets totals approx. 60-70 g). For a supply of healthy herbs, in support of treatment or during a flu infection, add to feed for up to three weeks or until the complaint has improved. tierlieb Herb Pellets can be added to feed all year round as a healthy treat and for general support of the defence mechanisms.

Due to the high quantity of herbs, the anti-doping and medication control rules laid down by the Deutschen Reiterlichen Vereinigung (German Equestrian Federation FN), a grace period of 48 hours is recommended.

Keep dry and out of direct sunlight. Store below 25°C.
