

tierlieb
Evening Primrose Oil
for dogs and cats
Feed

Useful information:

tierlieb evening primrose oil is made from the ripe seeds of the evening primrose (*Oenothera biennis*). What makes it special is its high content of the valuable fatty acids linoleic acid and gamma-linolenic acid (GLA). These essential fatty acids promote the long-term maintenance of healthy skin and a soft, shiny coat.

- 9 % gamma-linolenic acid
- For healthy skin and a beautiful coat.
- Mild flavour

Feed recommendation:

Add the required quantity to the daily feed:
A single "pump" equals approx. 1 teaspoon.

Small dogs: ½ teaspoon (2.5 ml)
Medium-sized dogs: 1 teaspoon (5 ml)
Large dogs: 2-3 teaspoons (10 ml)
Lactating bitches receive 2 times the amount.
Cats: ¼ teaspoon (1.25 ml)

Oils can have a laxative effect when used excessively.

External use:

Rub a few drops of evening primrose oil into stressed skin.

Analytical contents:

Crude fat 100 %, crude fibre 0 %.
Metabolisable energy: 39.72 MJ/kg (1032 kcal/100 ml).

Keep cool, dry and out of direct sunlight.
