

Royal Jelly Intensive Fluid

High-grade intensive fluid with 2.5% royal jelly as well as vitamin E, ceramides and milk extract powder.

Royal jelly intensive fluid provides the skin with protection and nourishment around the clock. Due to its light consistency, it can be used both as a day and as a night cream.

Ingredients: Aqua, Prunus Amygdalus Dulcis Oil, Pentylene Glycol, Dimethicone, Ceteareth-20, Royal Jelly, Tocopheryl Acetate, Lac Powder, Glycine Soja Oil, Sodium Hydroxide, Sodium Lauroyl Lactylate, Ceramide NP, Ceramide AP, Phytosphingosine, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Xanthan Gum, Ethylhexylglycerin, Carbomer, Cholesterol, Phenoxyethanol, Ceramide EOP, Parfum (Linalool, Limonene, Alpha-Isomethyl Ionone, Coumarin).
