

Coenzyme Q10 100 mg Mono Capsules

Nutritional supplement with natural Q10

Good to know:

Coenzyme Q10 belongs to the group of vitaminoids, (vitamin-like substances), and is an important part of our daily diet. Q10 is mainly found in the internal organs of the human body, like heart, liver and kidneys. In the healthy human body the required amount of Q10 is ensured by self-synthesis. In old age and also when taking statins, the content of Q10 in serum and tissues diminishes naturally.

Ingredients:

Filler Microcrystalline Cellulose, Coenzyme Q10 (26%), Gelatin, anti-caking agents Silicon Dioxide, Magnesium Stearate.

Each capsule contains **100 mg of pure, natural coenzyme Q10 of highest quality!**

	per capsule (= daily dose)
Coenzyme Q10	100 mg

No nutrient reference value for the daily intake according to VO (EU) No. 1169/2011 has yet been established.
