

Gelastin® Joint Relief Bath Soak

Liquid bath product with plant oils and extracts

For soothing skin care and relaxation and loosening of the muscles. A long, hot bath with GELASTIN® joint relief bath soak is simply a treat and relaxes the muscles after sport, hard physical work or unpleasant weather. GELASTIN® joint relief bath soak is rich in plant oils and extracts such as eucalyptus oil, rosemary oil, juniper berry oil, ginger extract, devil's claw extract and hay flower extract. It quickly exudes a soothing, pleasantly fresh fragrance after being added to the bath.

Application: Add GELASTIN® joint relief bath soak to your bathwater 1 - 2 times per week, or more often if required. For a full bath, we recommend adding 2 caps of GELASTIN® joint relief bath soak. Use less if you are taking a bath with less water. The bathing time should be 15 - 20 minutes.

Ingredients: Polysorbate 20, Aqua, Eucalyptus Globulus Leaf Oil, Propylene Glycol, Rosmarinus Officinalis Leaf Oil, Juniperus Communis Fruit Oil, Zingiber Officinale Root Extract, Harpagophytum Procumbens Root Extract, Hayflower Extract, Sodium Chloride, Sodium Sulfate, Citric Acid, Phenoxyethanol, Benzoic Acid, Dehydroacetic Acid, Limonene*, Linalool*, CI 47005, CI 42090. *from natural essential oils
