

Sanct Bernhard Sport Protein XXL 92 Strawberry-Vanilla

Nutritional supplement for muscle development
(with sweetener)

Good to know:

Protein drink XXL 92 supplies perfectly selected proteins from whey isolate, calcium caseinate and egg to perfectly support muscle development and maintenance of the muscle mass. The drink is also recommended as an additional source of protein during figure-shaping training phases or increased protein requirements. The drink is complemented with the essential substances magnesium, zinc and vitamin B6, which all contribute towards a normal protein metabolism. A healthy immune system function is supported by zinc and vitamin B6. Fatigue is reduced thanks to the magnesium and vitamin B6 contained inside. Furthermore, the protein drink XXL 92 creates entirely new accentuation with its tasty hint of strawberry-vanilla.
