

Traditional sweets Sage and Lemon

Cooked in copper pots over a fire and handmade according to old sweets-making traditions. They taste as delicious as they did in grandma's day! They bring back childhood memories...

Traditional sweets with a delicious sage and lemon flavour. Sage is particularly valuable for its soothing properties in the throat and pharynx. Especially recommended for sore throats and hoarseness. Soothes and refreshes naturally.

No artificial flavours or colours.

Ingredients: sugar, glucose syrup, citric acid, sage oil, lemon oil, natural turmeric flavouring.
