

Traditional sweets Eucalyptus sugar-free with sweeteners

Cooked in copper pots over a fire and handmade according to old sweets-making traditions. They taste as delicious as they did in grandma's day! They bring back childhood memories...

Traditional sweets made according to a classic recipe. The unique combination of eucalyptus oil and menthol provides a soothing effect and an unmistakable taste.

Ingredients: Sweetener isomalt, eucalyptus oil, colouring copper complexes of chlorophyllins, menthol, sweetener acesulfame K.
