

Aloe Vera Drinking Gel

Food supplement

Highest quality obtained from the undiluted juice of the inner leaf layers of fresh aloe vera plants (Aloe Vera Barbadensis Miller). The careful processing and gentle preparation directly after harvesting ensures the preservation of all sensitive ingredients, where the holistic interaction is so appreciated. Hundreds of thousands of satisfied customers favour Aloe Vera Drinking Gel of Sanct Bernhard.

Ingredients: Aloe Vera Juice (99.7 %), preservatives (Sodium Benzoate, Potassium Sorbate), acidifier Citric Acid.

	per 20 ml	per daily dose (=60 ml)
Aloe Vera	19.9 g	59.7 g

No Nutrient reference value for the daily intake according to VO (EU) No. 1169/2011 has yet been established.

Suggested use: 20 ml Aloe Vera Drinking Gel (approx. 2 tablespoons) pure or mixed with fruit juice, taken 3 times daily before meals.

Keep out of direct sunlight. Store dry and not above 25°C. Food supplements should not be used as a substitute for a varied and balanced diet and do not replace a healthy lifestyle. Keep out of the reach of young children. The recommended daily dose should not be exceeded.

Aloe Vera Drinking Gel is a natural product. Variations in appearance, colour and taste are natural and do not represent an impairment in quality.

Once opened, keep in the fridge.
Shake before use.
