

Fresh Breath Capsules

with ginger, mint oil and menthol

Fresh Breath Capsules for an immediate freshness in the mouth and a long lasting fresh breath. Especially important after the consumption of hearty meals, garlic, onions, alcohol, etc. Ginger extract, mint oil and menthol feel like a fresh breeze in the mouth since they give an immediate feeling of freshness. The plant substance chlorophyll tackle the problem at its root as they already prevent the development of bad breath. Breathe freely!

Ingredients:

Gelatin, Safflower Oil, humectant Glycerol, Mint Oil, Menthol, Ginger Extract, colouring agent Copper Complexes of Chlorophyllins.
