Astaxanthin 8 mg Capsules

Nutritional supplement with astaxanthin and vitamin E

Useful information:
Astaxanthin is a Colouring agent that occurs naturally in plants and some yeasts. Like lutein and zeaxanthin, it belongs to the group of Carotinoids. We have supplemented our pure, high-quality astaxanthin from the microalgae *Haematococcus pluvialis* with natural vitamin E, which has been scientifically proven to help protect cells from oxidative stress. Oxidative stress is the term used to describe the danger posed by so-called free radicals, for example from smoking, increased UV radiation or other harmful environmental influences.

Ingredients: Sunflower Oil (bulking agent), Gelatine, Glycerine (humectant), oleoresin rich in astaxanthin from the algae Haematococcus pluvialis (9 %), Vitamin E, Iron Oxide (colouring agent), antioxidants Tocopherol-rich Extracts.

	per capsule (= daily dose)	% of NRV recommended daily dose*
Astaxanthin	8 mg	**
Natural vitamin E***	50 mg (75 I..)	417

*NRV = Nutrient Reference Value for daily consumption according to Regulation (EU) No. 1169/2011
** no reference value available yet
*** alpha TE

Recommended dose: Swallow 1 capsule daily with a meal with sufficient liquid.

Do not take other food supplements containing astaxanthin esters on the same day.

Keep dry and out of direct sunlight. Store below 25°C. Nutritional supplements should not be used as a replacement for a balanced, varied diet, and do not replace a healthy lifestyle. Keep out of reach of young children. Do not exceed the recommended daily dose.

Not for pregnant and breastfeeding women, as well as babies, children and adolescents under the age of 14.

Made in Germany

Contents 60 capsules = 40 g
