

Sanct Bernhard Sport Marigold Regeneration Cream

For the care and regeneration of parts of the skin subjected to strain and wear.

Contains marigold, wheat germ oil, allantoin and natural moisture retaining components.

During fast-moving sports such as walking, jogging, hiking, riding or cycling, sensitive skin on the bottom, thighs, chest or under the arms is placed under considerable strain. The result is frequently irritated, reddened skin. For this reason we recommend that you care for your skin **after sports** with our Marigold Regeneration Cream in order to soothe irritated skin and to support recovery. Natural extracts from the marigold have an anti-inflammatory and soothing effect.

For supplementary care prior to sports, we recommend our Sanct Bernhard Sport Fireprotect Skin Protection Cream.

Do not use if you are allergic to composite plants.

Ingredients: Aqua, Cetearyl Alcohol, Pentylene Glycol, Glycine Soja Oil, Propylene Glycol, Caprylic/Capric Triglyceride, Simmondsia Chinensis Seed Oil, Mel, Zea Mays Germ Oil, Calendula Officinalis Flower Extract, Triticum Vulgare Germ Oil, Allantoin, Tocopherol, Daucus Carota Sativa Root Extract, Lecithin, Beta-Carotene, Retinyl Palmitate, Ascorbyl Palmitate, Lactic Acid, Fructose, Sodium Lactate, Urea, Glycine, Sodium Cetearyl Sulfate, Sodium PCA, Helianthus Annuus Seed Oil, Sodium Benzoate, Niacinamide, Inositol, Phenoxyethanol, Dehydroacetic Acid, Citric Acid, Disodium Phosphate, Potassium Phosphate, Benzoic Acid, BHT, Parfum, Tetramethyl Acetyloctahydronaphthalenes.
