

Green Tea Gunpowder

This green tea specialty owes its name by the method of its manufacture. The tea leaves are rolled into small balls that look quite like gunpowder. The lightly smoky, tart taste is favoured by tea connoisseurs around the world.

Ingredients: 100 % Green Tea Gunpowder

Preparation: One heaping teaspoon per 1 – 2 cups. Let water come to a boil and cool it down with a dash of mineral water to 70 - 80°. Pour over the tea. Steeping time: 1 - 3 minutes.

Close properly and store in a dry place.
